Proof℠

Digitize POAs.
Protect Every Lease.

Manual POAs slow down deals, introduce risk, and leave leasing teams in the dark. Proof streamlines the process with verified identities, secure online notarization, and a tamper-proof audit trail - so you can move faster without sacrificing trust or compliance.

Streamlining POA with Proof

✅ **Verify Identity** – Match facial biometrics to government-issued IDs before signing or notarization.

✅ **Notarize Remotely** – Complete POAs and other lease-critical documents without in-person meetings

✅ **Maintain Compliance** – Create tamper-proof audit trails that meet state and federal requirements, including UCC filings and lien releases
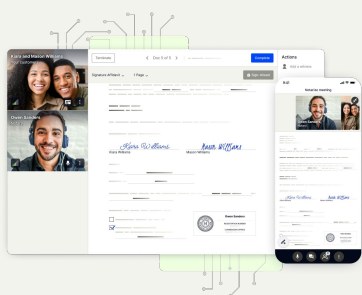

Benefits For Customers and Lessors

For your customers:
- Remote, mobile-friendly signing experience
- Faster turnaround on lease approvals and funding
- Secure and transparent document handling

For your team:
- Fewer manual escalations and follow-ups
- Built-in compliance and audit-ready records
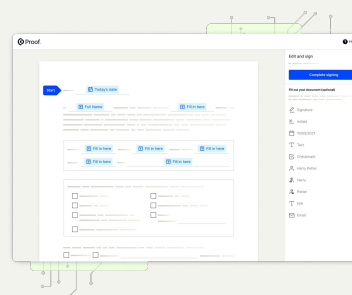

Notarize

Proof enables fully digital notarization for POAs, bills of sale, and lien releases, completed remotely, securely, and in full compliance.

Identify

Verify business and individual signers with NIST IAL2-compliant ID checks, liveness detection, and real-time fraud signals.

Sign

Secure, compliant eSignatures for lease documents - completed from any device, without sacrificing speed or trust.

The POA Process with Proof

1 Start with your lessee
Verify signer and business identity, collect signatures, and notarize POAs - all in one secure, auditable platform

2 Use your notary or ours
Choose from your internal notaries or tap into Proof's 24/7 network of trusted professionals

3 Validate in real time
Confirm signer identity with biometric checks and fraud signals before any document is finalized or equipment is released

4 Route to stakeholders
Instantly share completed POAs with leasing staff, legal teams, or third-party partners - no printing or scanning needed

5 Store with confidence
Archive tamper-sealed POAs directly in your system of record, ready for audit, compliance reviews, or future reference

6 Prove it, anytime
Access a full, time-stamped audit trail to resolve disputes, meet regulatory requirements, or defend against fraud

How to Get Started

Proof integrates easily with your existing systems - no rip and replace required. Our team will guide you through setup, configure your POA workflows, and help you go live in days. Whether you're using your own notaries or tapping into ours, you'll be up and running fast, with full support every step of the way.

About Proof

Proof is the trusted platform for the most important agreements that businesses and consumers sign. More than 7,000 businesses trust Proof to collect all types of documents – everything from an online notarization to identity-assured eSignatures. The platform combines strong identity verification with built-in fraud prevention to ensure signatures are harder to forge. Proof operates the Notarize Network, the largest on-demand network of trusted notaries that are available 24/7 to perform a notarization or check a person's identity.
